

SUPER SHOE NATIONALS XXXVII

SEPTEMBER 27-29, 2024

The Super Shoe Nationals will be the same year-end race party that has rocked the Midwest for the last 36 years and this year's racing will rock the Midwest as well.

We are rolling out a few details now and will be rolling out the rest of the information in the days to come. Keep an eye on the website!

THIS YEAR'S SUPER SHOE CLASSES:

- 1. FRONT WHEEL DRIVE DOTs.** Dress up the bodies as you see fit or keep them stock. Drivers will race on DOT tires with a treadwear rating of 300 or higher on 7" wide wheels. **The DOT treadwear rating must be visible on the side of the tire. Track officials have the right to reject any tire.** No Z rated, trailer or recap tires allowed.
- 2. FRONT WHEEL DRIVE OUTLAWs and MINI STOCK.** Drivers will race on Hoosier 790, 795, 850, or DOT 200 treadwear rating or higher tire on 7" wide wheels. No recap tires allowed. **The DOT treadwear rating must be visible on the side of the tire. Track officials have the right to reject any tire.**
- 3. STREET STOCK.** We aren't going to mess with one of the most successful classes in the tri-state area. Kalamazoo Speedway Street Stock Rules will apply to this class. Drivers will race Hoosier 890 tires on 8" wheels. We will also allow 8" Comanches or 800 (not D-800).
- 4. REAR WHEEL DRIVE OUTLAWs.** The same rules and procedures that have been used for the last 36 years will apply (and will be published again shortly). Dress up the bodies or keep them stock, up to you! Drivers will race on Hoosier 980's on 8" wheels. We will also allow Hoosier 970, 880 or D800. No F-70s allowed.

CAMPING RESERVATIONS (\$60 per campsite for the weekend) will begin on Monday, August 19. Campers who reserved and paid for their campsite(s) last year have the option of keeping the same campsite(s) in 2024. We will hold 2023 booked campsites until Thursday, September 5; after that date, campsites will be available for others to rent. Also, beginning on August 19, persons may book a campsite that was not booked last year.

GOLF CARTS ONLY. No mini-bikes, quads, side-by-sides, ATVs, scooters, etc. A limited number of gold carts are available to rent by calling Westview Golf Carts (269.720.7168).
