

**AUGUST 16 RACING CANCELLED**

**Antacids by the case for management! It's bad enough to have an iffy forecast on Friday, but today's forecasts look like they are for entirely different areas. Half forecast a total washout and the other half say Let's Go Racing. We're going with the forecasts that have proved the most accurate and we are, most regretfully, throwing in the towel. No racing Friday, August 16 at Kalamazoo Speedway.**

**We'll be back next Friday, for the 500 Sprint Car Tour and the USSA Kenyon Midget Series plus two of the weekly classes. The Techworks Trailer Street Stock will race for \$2,000 to win and the Front Wheel Drive DOTs will race for \$1,000. There is also higher payout for the Street Stock 'B' feature and the 'B' and 'C' DOT features!**

**Thank you for your understanding and we will see you next week!**

**The AutoMODIFIED drift event for Saturday, August 17 is still a go. Drifting is a rain or shine event!**
