## **OPEN DRIFTING GOING ON NOW: NOVEMBER 23, 2024**

The final 2024 AutoMODIFIED Open Drifting Event (a leased event) is going on NOW! On this chilly day we welcome bundled up and enthusiastic fans in the grandstands and nearly a record setting number of cars drifting. Plus we had a proposal (bottom left)! The second of the year (bottom right)! AutoMODIFIED will be back in 2025 for another full season. Their tentative schedule is on the Kalamazoo Speedway website and they kick off their 2025 season on Saturday, March 29. Drift events are always rain, shine or snow!

## **5<sup>TH</sup> ANNUAL BAD SANTA ENDURO: NOVEMBER 30, 2024**

And then it's the final leased event of the season (final 2024 event period, actually): the 5<sup>th</sup> Annual Bad Santa Enduro. It's a 2 hour timed event; the driver clocking the most laps wins! Bring on the action around the oval and the infield! Always a fun event. Dress warm! The Enduro starts at 2:00 pm and will run until 4:00 pm. The pits and ticket windows open at 11:00 AM. Skyboxes will open at 11:00 as well as the grandstands. Like the drift events, Bad Santa will run in rain, shine or snow!! Adults grandstand seating is \$20, \$10 for youth (6-12) and 5 and under FREE. Pit passes are \$35; the driver fee (pit pass and registration is \$50). A few skyboxes remain. A photo from the 2023 Bad Santa event follows on the next page.
