Driver Spotlight: Racin' Mason Metzger

Kalamazoo Speedway fans, meet Racin' Mason Metzger—a young driver with deep roots in the racing world and an unwavering passion for the track!

Racing Runs in the Family

Mason's love for racing was practically destiny. Born into a family of champions, his grandfather, Andy Bozell, is a Michigan Motorsports Hall of Famer, and his uncle, Phil Bozell, is a standout short track racer. With such legendary mentors, Mason's passion for racing grew naturally, and he's been chasing checkered flags ever since.

Behind the Wheel

In 2024, Mason made waves racing an Outlaw Front Wheel Drive while gaining experience with six starts in a Template Late Model. This year helped him develop his skills racing side by side in full-sized cars. For 2025, Mason is setting his sights on competing more in the Template Late Model, ready to push himself to the next level.

A Track Full of Memories

As a full-time competitor at Kalamazoo Speedway for the past two years, Mason has already created unforgettable moments. His favorite? Setting fast time in the Zoo Stock division and signing Jason Seltzer's phone—a moment he'll never forget!

Challenges & Goals

While Mason is still waiting for his breakout win, he knows it's only a matter of time. His ultimate goal is clear: to win races and earn respect in the racing community.

A Team Effort

Racing is a family affair for Mason. His team includes:

- **Papa (Andy Bozell) & Gigi (Debbie Bozell):** The backbone of his racing career.
- **Pup (Phil Bozell) & Erin Bozell:** The ultimate cheerleaders and mentors.
- **Mom & Dad:** Always making sacrifices to keep Mason on the track.
- **Uncle Ron (Ron Finkbeiner):** A top-notch crew chief and trusted advisor.
- **Cousin Bryce Bozell & Uncle Jeff Bozell:** Key supporters and teammates.

Mason's team also includes many dedicated family members and friends who ensure his car is race-ready each week.

Thank You to the Sponsors

Mason is proud to have the support of amazing sponsors like FK Rod Ends, DL Transport, Mark Pack – Nagel Shippers, Allstar Performance, RN Sport Truck, Midwest Synthetics, and many others who fuel his racing dreams.

Racing Community Love

Mason sees the racing community as one big family. Sure, there are disagreements, but in the end, everyone is there for each other—and that's what makes it special.

Off the Track

When he's not racing, Mason keeps busy with football, basketball, wrestling, hunting, and, of course, working on his race cars.

Dreaming Big

Looking ahead, Mason hopes to race at some of the world's most iconic tracks, including Eldora on dirt and Bristol or Slinger on asphalt.

Mason Metzger may be young, but with his talent, determination, and the support of an incredible team, he's building a bright future in the world of short track racing. Keep an eye on this rising star—his journey is just getting started!
