

SCHEDULE OF EVENTS PRE-SEASON TESTING

April 9, 2022

Session length will be determined by number of cars per class and demands on the track per class. Sessions will repeat in the same order listed below with testing being completed by 5:00 PM.

PIT WINDOWS OPEN	9:30
PIT GATES OPEN	11:00
TESTING	1:00
Zoo Stock #1	
Outlaw FWD #1	
Street Stock #1	
Template Late Models #1	
Outlaw Super Late Models #1	

DRIVERS: Pit windows will be staffed beginning at 9:30 to distribute MyRacePass hard passes, collect tax information, obtain the usual waivers, distribute transponders and issue pit passes. Completing the process now will speed up your visit at the window for all subsequent visits. If you have not completed the MyRacePass registration process, please do so before arriving at the track. If you consider yourself technologically challenged, we will assist you (please come early).

Effective April 23, drivers must have completed the online and onsite processes in order to receive their payout.
