NINE WEEKS UNTIL OPEN PRACTICE!!

There's still snow on the ground but we're gearing up for our 75th season at Kalamazoo Speedway!

2025 PIT STALLS. Reserved pit stalls in the infield are filling up fast with returning teams plus we've been contacted by many new teams that will be racing with us this season. Limited space is available on the front stretch (next to KTS) and in the center block east of the tire barn. Space is also available along the backstretch. We will book reserved pit stalls in the Upper Pits this year. We anticipate having plenty of FREE first-come, first-serve space each week in the upper and 3rd pits. All reserved space is \$100 for the season; the season runs from April 18 – August 22 (season championship night).

To rent, call or text Kenny Head at 269.492.4275. Please note that minor alterations may be necessary while we attempt to accommodate requests. PIT STALLS ARE NOT CONSIDERED FIRM until they are paid. Cash or checks may be dropped off at Howe Patio & Windows in Plainwell or, simply call Barb at the Speedway office (269.355.4628) and pay by credit card over the phone.

Drivers are asked to email or text Gary (gary@kalamazoospeedway.com) when NOT using their pit stall for any week their class is running; we know things come up from time to time.

SKYBOX RENTALS. We're taking orders for seasonal skyboxes. Best views in the house and climate controlled! Renters who had a seasonal box in 2024 may elect to keep their box and any 2024 renter who requested to move or upgrade will have the first opportunity to do so before new renters are booked. Rentals are not considered firm until paid. Persons who wish to rent for a specific weekly event (like one of the Nights of Destruction) may call after April 1. Call 269.355.4628 with questions or to rent.

TRACK RENTALS. It won't be long and we'll have teams testing in private track rentals. To rent, contact Kenny Head at 269.492.4275 (voice/text).

Documents containing more information on Skyboxes, Pit and Grandstand Punch Passes, Track Rentals and Pit Stalls will be posted on the website under the Fan Information or Driver Information tabs.

WHO TO CALL WITH QUESTIONS??

Day-to-Day track questions should be directed to Barb at 269.355.4628 (voice/text).
